The ITF World Tennis Masters Tour (WTMT) is a global tennis circuit that seeks to offer a fun and unforgettable competitive experience to all players over 30 years of age. In this first edition, the category is MT100

and is part of a calendar of nearly 500 tournaments worldwide.

You don't need a high level, you don't need a ranking either, you just win and illusion to play To register, you must process the IPIN (International Player Identification Number) of the ITF (International Tennis Federation) and sign up for the tournament on the official website in the corresponding category and in the chosen modality (singles and/or doubles).

The 2nd Edition ITF MT100 Benidorm (18 as of 24 novfever) aims to become a recurring international sporting event for all amateur tennis players between 30 and 85 years.

The IQL Tennis & Padel Club is located between Benidorm and El Albir at the foot of the Sierra Helada ([Google Maps](#)). It has 6 hard courts and 4 dirt courts (where this tournament takes place). We have a club with a good social atmosphere that visitors can combine with the infinite gastronomic, leisure and tourism possibilities that the province of Alicante offers.
