The ITF World Tennis Masters Tour (WTMT) is a global tennis circuit that seeks to offer a fun and unforgettable competitive experience to all players over 30. This first edition is ranked MT100 and is part of a calendar of nearly 500 tournaments worldwide.

You don't need a high level, nor do you need a ranking, you simply win and illusion to play. To register, you must process the IPIN (International Player Identification Number) of the ITF (International Tennis Federation) and register for the tournament on the official website in the corresponding category and in the chosen modality (singles and/or doubles).

The 3rd Edition ITF MT100 Costa Blanca (formerly MT100 Benidorm) 17 – 23 of november aims to become a recurring international sporting event for all amateur tennis players between the ages of 30 and 85 years.

The IQL Tennis & Padel Club is located between Benidorm and El Albir at the foot of the Sierra Helada ([Google Maps](#)) It has six hard courts and four clay courts (where this tournament is held). We have a club with a great social atmosphere that visitors can combine with the endless culinary, leisure, and tourism opportunities offered by the province of Alicante.
